PEER TO PEER MENTORING

Mentoring provides an opportunity for experienced Veterans to share their experiences and help guide others on a successful future path. The Clear Path NE outreach efforts provide opportunities for Veterans to continue to serve through organized recreational activities and family gatherings that support and strengthen the building of strong civic minded communities where they live and work.

This program provides close, individualized support for those who need guidance and assistance in getting on the track with their personal goals and objectives. We partner with national and local organizations to create an all encompassing network of support for any need that may present itself. Wingmen work to empower Veterans in establishing independent and purpose driven lives.
